LineLazer®
Professional Airless Line Striping Systems
There is no other line striping system like the LineLazer Airless Professional Striping System.

Since 1990 Graco’s LineLazer Airless Striping Systems have delivered on all counts and lead the pavement striping industry!

The LineLazer family of stripers has constantly been improved to meet the changing needs of the pavement marking industry, each time delivering substantial benefits to the professional striping contractor. The LineLazer V System continues the tradition of delivering innovation and performance, creating an unmatched family of stripers.

New for 2017, the LineLazer ES 1000 is the industry’s first professional electric airless stripper powered by high-output battery – opening up new opportunities for your business.

You can take pride in the fact that Graco stripers are designed, manufactured, and assembled right here in the United States of America.

What is the G4 Difference? Simply put, it’s Graco’s commitment to provide you with the very best airless line striping systems, backed by a solid reputation for proven quality, maximum performance, reliable warranty coverage and unmatched on-the-job productivity. Graco is the name to turn to today and as your business grows.

PROVEN QUALITY

Each LineLazer striper boasts Graco quality and dependability that you can count on. For more than 25 years striping contractors have turned to Graco.

MAXIMUM PERFORMANCE

Each LineLazer System is engineered to deliver maximum performance for completing jobs quickly and efficiently.

INDUSTRY-LEADING WARRANTY

Graco backs each LineLazer System with a full 3-year warranty from defects in material and workmanship.

UNMATCHED PRODUCTIVITY

Superior design and innovative technology means you’ll be getting the highest productivity in a line striping system.
For more than 25 years, LineLazer has led the striping industry—offering the ultimate in innovation, technology and unmatched quality for striping contractors worldwide.

The Evolution of the Graco LineLazer: The cumulation of over 25 years of unparalleled expertise in engineering and innovation. No one makes a striping like LineLazer.
BREAKTHROUGH INNOVATIONS ONLY FOUND ON THE LINELAZER V!

Choose the RIGHT SERIES for all your striping applications.

Graco offers a full range of LineLazer products to fit your unique needs - allowing you to complete jobs faster, more efficiently and with more accuracy. Whether you need the versatility of our EPower Series, the everyday reliability of our Standard Series, the increased speed and productivity of the HP Automatic Series, or the versatility of the high production HP Reflective Series, Graco offers the perfect striper that’s designed specifically for you.

If You’re an Indoor/Outdoor Striping Contractor

► Your jobs range from small to medium
► You perform indoor/outdoor jobs
► You are looking for low noise, low vibration and no fumes

You need an EPower Series striper.

EVERYDAY STRIPING

If You’re a Everyday Striping Contractor

► Your jobs range from small to medium
► You perform mostly re-stripe jobs
► You need a single-color, single-gun striping solution

You need a Standard Series striper.

If You’re a High Production Striping Contractor

► Your jobs range from medium to large
► You stripe new parking lots, city streets, intersections and bike paths
► You need a multi-gun, automatic system

You need a HP Automatic Series striper.

TOUGHER JOBS

If You’re a High Production Reflective Striping Contractor

► Your jobs are typically larger
► You stripe airports, large roadway and city projects
► You need a multi-gun, automatic gun system with pressurized beads

You need a HP Reflective Series striper.

MOST DEMANDING JOBS
The LineLazer ES 1000 is powered by a 100AH AGM battery – allowing it to be used safely indoors while having the power and performance needed for outdoor jobs. "Go Green" with this quiet, fume-free Stripper!

**Features**

- **SmartControl 2.5**
  - Advanced pressure control system delivers consistent spray fan resulting in unmatched line quality

- **Exclusive Endurance Pump**
  - Industry-best pump performance in this field-proven design

- **New ProConnect™ System**
  - Industry-first for walk behind strippers allows quick on the job pump replacement

- **FastFlush™**
  - FastFlush high flow cleaning system runs faster and dramatically reduces cleaning time
  - First time on a walk-behind Stripper!

- **EasyMark Gun Adjustment System**
  - Innovative gun adjustment design with “G” Clamp holder system
  - 2-gun capable with QuikSelect™ Gun Selector

- **Exclusive LineLazer Cart**
  - Industry's best balanced chassis for straighter lines
  - Accepts LineDriver and many other Graco accessories that allow you to increase your productivity

**Includes the following features:**

- **No Engine Noise**
  - Do any job anytime, without disruptive engine noise

- **No Engine Vibration**
  - Allows for perfect lines on all surfaces and reduces user fatigue

- **No Engine Fumes**
  - Enables you to spray indoors without production shut downs or disruptions

- **Deep Cycle 100AH AGM Battery**
  - 100AH AGM 12V sealed lead acid battery provides enough run time to spray up to 20 gallons/charge
  - Add a second battery in parallel to increase your capacity and reduce your voltage drop – allowing you to stripe up to 60 gallons/charge

- **On-board 120V Inverter/Charger**
  - Simply plug in to recharge, no need for battery removal

- **120V Capability**
  - Get infinite spray time when using for stationary applications by running on 120V wall power – just plug it in
NEW!

The LineLazer 3400 is the proven performer for your restripe jobs. As the preferred choice for 1-gun professional performance, the LineLazer 3400 is perfect for small parking lots, mini malls, seal coating contractors, schools and park and recreation departments.

Standard LineLazer Features:

New Frame
► Newly designed frame is 3 inch longer — adding stability and improved tracking which results in improved line quality
► Now accepts 15-gallon hopper and EZ Bead System

New EasyMark Gun Adjustment System
► Simple guide mark system
► Easy gun on/off, front/back
► Perfect gun set up—every time

New Rear Mount Hose Wrap
► Provides easy on/off for those demanding stencil jobs

Easy Reach Controls
► Operator controls are located on the handle bars
► You can fine tune the striper without stopping

New Handle Bar Design
► Redesigned for reduced vibration — greatly reducing operator fatigue
► Contoured grips for greater comfort and control

Electronic Pressure Control
► Accurate, tight tolerance system provides excellent line quality

Chromex™ Pump Rod
► Long life rod treatment for the most demanding materials
► Four times harder than ordinary chrome

Honda Power
► Contractor preferred—excellent power and proven reliability

Exclusive EasyOut Filter System
► 60 mesh filter for no plug performance
► Inside-out filtering prevent clogs

Endurance™ Paint Pump
► Industry best performance
► Proven design with 25 years of success

Front Swivel Wheel
► Provides easier “up to the curb” parking lot striping and hard-to-do curves
► Tapered locking pin design for years of dependable operation

One Gun System

  - The best way to apply beads
LineLazer V 250sps—The Next Evolution in Line Striping.

Graco is the first to offer the stand-on, self-propelled striping unit. The LineLazer V 250sps is the stand-on striping solution for improved visibility and razor sharp lines. Innovation, quality and unmatched design—only from Graco.

New 3-Wheel System
Added stability for greater control and straighter lines.

Rear Stand-On or Flip-Up Platform System
Integrated platform provides ergonomic place for standing, great sight line and all-day comfort or flip-up platform for walk-behind operation.
High performance striping with the exclusive automatic paint guns makes the **LineLazer V 250sps** the preferred striper for professional contractors who demand hydraulic power. This striper is ideal for large, heavy-duty line striping jobs including parking lots and road jobs.

### Automatic Gun Control System
- Manual or automatic paint and bead guns with the push of a button

### Electric Clutch System
- Disengages engine for fast starting

### 25-Gallon (95 L) Paint Hopper
- Extended striping time with large capacity hopper

### Honda 13 HP GX Engine–Electric Start
- Industry proven performance with the most demanded engine by contractors

### Remote Mount - Control Box
- Simple to use and easy to see in all conditions
- Information at-a-glance

### Graco Hydraulic Motor System
- Graco’s no-stall hydraulic motor for uninterrupted performance

### Flex Plus™ Guns
- Industry proven paint guns with LineLazer tips provide precise lines

### Endurance Piston Pump System
- Long life pump provides precise flow for wide range of striping materials

### Rear Gun Mount System
- Provides straighter long lines—perfect for bike paths, airports and other long line jobs

### Exclusive Self-Centering Front Wheel
- Eliminates one user interface for simpler operation
- Foam filled for stability

*Powered by HONDA.*
A SOLUTION TO KEEP YOU STRIPING

Graco knows the last thing you can afford is costly downtime. And with the Endurance Advantage Program, you’ll never need to worry about it. When you buy any new Graco LineLazer line stripper, you can purchase an additional Endurance Pump for up to 80% OFF the list price—keep a spare on hand to save yourself time and money on every job. Or if you’d rather repack your own pump, we’ll let you choose a FREE Repair Kit instead. No matter what your choice, Graco ensures you’ll always be up and striping! Simply follow the registration instructions included with your sprayer.

WARRANTY SPRAY PROTECTION

3-YEAR WARRANTY*
Coverage against defects in materials and workmanship on the entire stripper.

30-DAY “JUST ADD PAINT” REPLACEMENT GUARANTEE*
Dissatisfied? Simply return the stripper to the place you bought it within 30 days. They’ll either exchange it for an identical stripper or you can trade up to a larger stripper at an additional cost.

DOWNTIME ELIMINATOR PROGRAM*
Part needed for a warranty repair not in stock at your distributor? Get FREE next business day air freight delivery when distributor orders the part by 2 p.m. CST.

*NORTH AMERICA ONLY. See your local Graco distributors for country specifics.

We stand behind every piece of equipment we manufacture with the industry’s strongest warranty. Stripe with the confidence that you will probably never need to use Graco’s warranty, but if you do... we will be there.

Nobody Else Builds Stripers Like This.
Accessories

17K356  LL250sps only: Add second pump kit – complete. (To upgrade from single pump SPS to a 2 pump DC)
- Kit includes: Paint pump, filter, hydraulic hose lines, dual 15-gallon paint tanks and all hardware

#### Paint Gun Kit
17K791  Paint Gun Kit – Complete. Kit includes: Flex gun, LL5319 tip, guard, 7 ft paint hose 1/4 in, gun cable, gun mount

#### Green Dot Laser
25A691  Green Dot Laser Kit. Kit includes: Laser, laser mount and all hardware

#### Bead Systems
BEAD SYSTEMS – To add either a gravity or pressurized bead system, see page 24.

#### Stencil Kits
24G778  Paint Gun Stencil Kit. Includes: (1) Flex Gun, 286425 tip, guard and 50 ft x 1/4 in hose
238957  Hand Bead Applicator Kit. (Use with EZ Bead Pressurized Bead System only) and mounting brackets.
- Kit includes: 1 Bead gun, (2) 3/4 in x 24 ft clear hoses, .234 in/.35 degree tip, 1 ft extension tube

#### Turf Tire Kit
249083  Rear Turf Tire Kit. Includes (2) rear tires for use on turf fields. Also fits standard LineDriver.

#### Paint Hoppers
278452  25-Gallon Hopper. (LL250sps only) Includes: (1) 25-gallon hopper, lid and straps
24V782  Dual 15-Gallon Hoppers. (LL250dc only) Includes: (2) 15-gallon hoppers, (2) lids, grommets and hardware

#### LINELAZER V Light Kit
24M598  High-output Light (LineLazer 250sps and 250dc)

### LINELAZER ES 1000

#### Paint Hopper
17P444  15-Gallon for LineLazer ES 1000

#### Gravity Bead Systems
To add a gravity bead system, see page 23.

#### Batteries
17N448  12V 100AH Single Battery
24Z724  2nd Battery Kit (includes (1) Battery (17N448) and battery connections)

#### Gun Kit
25A491  Manual Gun Kit. Kit includes: Flex gun, LL5319 tip, guard, vertical gun bar, horizontal gun bar and manual gun cable

#### Hitch Kit
24Z805  Hitch Kit. Kit includes: Hitch, ball and hardware to connect to LineDriver

#### Green Dot Laser
17P782  Green Dot Laser Kit. Kit includes: Laser, laser mount and all hardware

#### Line Pointer
25A620  40 inch Retractable Pointer Kit

#### LINELAZER ES 1000 LED Light Kit
17R472  High-output LED Light for LineLazer ES 1000

ABOUT GRACO

PROVEN QUALITY, LEADING TECHNOLOGY.

Founded in 1926, Graco is a world leader in fluid handling systems and components. Graco products move, measure, control, dispense and apply a wide range of fluids and viscous materials used in vehicle lubrication, commercial and industrial settings.

The company’s success is based on its unwavering commitment to technical excellence, world-class manufacturing and unparalleled customer service. Working closely with qualified distributors, Graco offers systems, products and technology that set the quality standard in a wide range of fluid handling solutions. Graco provides equipment for spray finishing, protective coating, paint circulation, lubrication, and dispensing sealants and adhesives, along with power application equipment for the contractor industry. Graco’s ongoing investment in fluid management and control will continue to provide innovative solutions to a diverse global market.
